

THE CENTRAL RECORD.

TWENTY EIGHTH YEAR

LANCASTER, KY., THURSDAY AFTERNOON, JUNE 21, 1917.

NUMBER 12.

COME AND SEE THE

WONDER WASHER MACHINE

The Most Popular Washing Machine in America, DEMONSTRATED

WEDNESDAY, JUNE 27

From 2 o'clock until 3 o'clock p. m.

Whether you need a washer now or not, come and see the streaks taken out of dirty shirts in less than a minute.

The Demonstrator from the factory will instruct you in the simple and most effective way you can save time and lighten your labors on wash day. No rub and no scrub. The Agitator gives extra attention to worst soiled parts. A wonderful lesson in household economy. Your hardest task can now be your lightest.

The only washer on the market using four processes at one time.

No Noise, Slop, or Loss of Time.

It Must be Seen to be Appreciated.

ONE GIVEN AWAY FREE.

Conn Brothers.

LIVE AND LET LIVE FOLKS.

Clean up and use time and help rid the town of flies.

Show your patriotism by fighting potato bugs, the fight is on.

What about your stable and out houses are they clean? If not you are in danger.

One case of typhoid fever will cost more than a barrel of lime and a man to clean your premises.

We will buy or store your Wheat, Rye, Barley. Highest market price. Plenty of sacks. Hudson, Hughes & Farnau.

If thousands are ready to give their lives, will you not give your money, and give till you feel it—in the spirit of sacrifice?

When your boy is in France on the firing line you will not consider your contributions to the Red Cross a duty but a happy privilege.

Come and see the Wonder Washing Machine demonstration, Wednesday, June 27th. One given away. Conn Bros, live and let live folks.

Why not make up your mind to get the most out of Chautauqua. It can be made a season of mental and spiritual refreshing. It will help you thru the summer.

Us farmers and amateur gardeners now have a fight on which promises a thriller. "Tater bugs and smart weeds. Shoulder your powder guns and get your rakes and hoes ready. The battle has begun.

BACON ECONOMY.

As we told you most Bacons contain an excess of salt.

They require to be freshened before being cooked.

These Bacons cost less per pound than ours, but when you figure on this salt at about 15c a pound, there is a different story to tell.

The beauty of our Bacon is that there is not the least bit of waste about it.

In a pound of it there are 16 ounces that can be eaten. We would be glad to have you try the brand we handle.

We think you would agree with us that it is a superior article.

Currey's

RYE, BARLEY, WHEAT.

We will buy or store your Wheat, Rye, or Barley. Highest market price. Plenty of sacks. Hudson, Hughes & Farnau.

NEW CLERK.

Mr. James Nevius has accepted a position with Mr. Jas. W. Smith and has already gone to work. James is a fine young man, a recent graduate of the high school and we predict will make good in his chosen work.

S. S. CONVENTION

An interesting and instructive program has been arranged for the interdenominational Sunday School Convention which is to be held at the Herring school house next Sunday afternoon, beginning promptly at 3 o'clock. The public is cordially invited to be present.

LARGE FLAG POLE

The fiscal court has just appropriated a sum sufficient to purchase a handsome flag and the 100 foot pole was erected yesterday at the north east corner of the court house. The pole is made of iron piping, four inches in diameter at the bottom tapering to a two inch diameter at the top. Owing to the height of the pole it was raised with much difficulty, but it is now firmly stationed and will last for years.

700,000 FOR KENTUCKY

The money raised in Lancaster and Garrard county will go to make up the 700,000 allotted to Kentucky for the Red Cross work. The money is to be used in the erection of hospitals, employment of nurses and medical aid for American soldiers in war with Germany. Your dollar may bring your boy back to you out of No Mans Land, where many sons are going, where many will remain. Join today make this your Red Cross Day.

PROMINENT MERCHANT.

Mr. J. B. Conn, of Lancaster, was here Monday with his son, Briscoe Conn the local automobile man. Mr. Conn, with his brother, John Allen, has built up one of the largest machine shops in Central Kentucky. They are also engaged in the hardware and implement business in Lancaster, carrying an immense stock. All of this well known Garrard county family are expert machinists and have wide reputations for their ability.—Danville Messenger.

MR. BURDETT APPOINTED.

George W. Burdett, the youngest son of George D. Burdett, of Louisville, has been appointed to a place under the Civil Service, in the Adjutant General's office, of the War Department at Washington and left for that city last Saturday. George Burdett is a most deserving young man and his appointment is good news to his many friends in this and Garrard county. That he will make good goes without saying.—Danville Messenger.

JUDGE HARDIN LOOMS UP.

Although the next State races are two years off, the usual amount of early gubernatorial gossip is going the political rounds, and in the name of Judge Charles A. Hardin, of Harrodsburg, the present Democratic State chairman, and Circuit Judge of the Thirteenth judicial district, figures largely. Ever since the new State administration took hold, Judge Hardin has been regarded as having his eye on the gubernatorial succession, and his friends say that recent events have strengthened his chances for the party nomination.—Louisville Times.

LIBERTY BELL RUNG

Again the "Liberty Bell" was rung in the ears of the Nation. In the midst of this country's terrible, last-day drive for the Liberty War Loan, a faint peal from the "Liberty Bell" in Independence Hall was heard throughout the land. Mayor Smith struck America's most revered relic with a golden hammer, at exactly 12 o'clock, noon—and the long mute tongue of the "Liberty Bell" spoke again. It was but a whisper but it reverberated from the Atlantic to the Pacific, calling last minute subscribers to the Liberty Bonds to the service of their nation.

The over-subscription of the government war loan showed that the maimed note from the ancient bell, which, first proclaimed America's liberty still strikes a responsive cord in America's heart. Cracked and silent since 1835 when it broke tolling for the death Chief Justice Marshall, it again tolled for the death of Autocracy and for the Liberty of all of God's people.

Garrard did her bit in the Liberty Loan and nobly did she do it. What will she do towards raising that 700,000 allotted to Ky. for Red Cross work?

MANY MASONS TO GO

Practically every Mason in the county will attend the big celebration and barbecue next Saturday at Crab Orchard. Everything is in readiness to entertain the 6000 people that are expected to be on hand. The children from the Widow's and Orphan's Home will be there together with their band as well as the famous Smittie band of Cincinnati. The celebration will be on the Springs Hotel property and final arrangements have been made to park at least 500 automobiles.

PROMINENT POLITICIANS.

Lancaster was visited by three prominent politicians last Thursday in the persons of Hon. Rodman Keenon, Clerk of Court of Appeals at Frankfort, Senator Frost, of Mayfield and Dr. Alexander of Versailles. A secret conference was held with a few of our local politicians, lasting about thirty minutes, said to have been relating to some of our local candidates. They left immediately for Stanford where 'tis said a similar meeting was held and a local ticket mapped out for Lincoln county, which has put the political pot to boiling in that democratic stronghold.

GARRARD'S QUOTA

OVERSUBSCRIBED.

Garrard county oversubscribed her allotment of the Liberty Loan Bond by \$2,800, the total amount applied for being \$100,800.

CHAUTAUQUA IN

FULL BLAST

The Redpath Chautauqua opened its third season in this city yesterday afternoon and will have two daily entertainments for the next five days. The afternoon sessions open promptly at 2 P. M. and the evening session at 8:15. Most of the merchants have agreed to close their stores at 2:45 and open again at 5 o'clock.

WESTERN UNION SER-

VICE DISCONTINUED.

The Bastin Telephone Company announce that after July 1st, they will discontinue the Western Union Telegraph service. In lieu of this they will place a pay station in the office of the telephone company and those sending messages will call Stanford and pay in advance the cost of the message at the pay station.

YOUNGER MEN FOR

AIR SERVICE CORPS.

The age limit for the army air service has been reduced from twenty-one to nineteen years, according to a telegram from the war department received by President H. S. Backer of the university of Kentucky. The minimum will allow a number of eager students who have been barred to try for aerial corps. The air service needs athletes who are quick-witted, punctual, reliable and intelligent men accustomed to making quick decisions. Highly desirable men who ride well can sail a fast boat or handle a motorcycle usually make good air pilots.

THE RIGHT SORT

OF PATRIOT.

There is an intimate touch of human nature in the following extract from a letter written to the chairman of the board of registrars the day after the young men of Lexington enlisted for service: "The honor of serving our country as registrars June 5 gave us an excellent opportunity to study human nature and how much space of American hearts is occupied by Americanism. For example, we received a message early from a young man in our precinct of his intention to register, but on account of his physical condition he could not come to the polls in person. We immediately sent one of our registrars to his home and found him in bed, flat of his back, with his life gradually ebbing away and realizing that his days on earth were but few, yet to the question, 'Do you claim exemption,' he readily answered 'No'. This is the type of Americans that will some day hang Old Glory on the highest building to Berlin.—Lexington Leader.
